# TOWNSHIP OF RYERSON

## ZONING BY-LAW

Draft – February 9, 2010

### Section 1 - INTERPRETATION AND ADMINISTRATION

- 1.1 **Title:** This By-law shall be known as the “Township of Ryerson Zoning By-law”.
- 1.2 **Lands Affected by this By-law:** This by-law applies to all lands within the *Township*.
- 1.3 **Validity:** Should any section or provision of this By-law for any reason be declared invalid by a court of competent jurisdiction, such declaration does not affect the validity of the By-law as a whole and all the remaining sections or provisions of this By-law remain in full force and effect until repealed.
- 1.4 **Effective Date:** This By-law shall come into force in accordance with Section 34 of the Planning Act, R.S.O. 1990, as amended.
- 1.5 **Appeals:** Where one or more appeals are filed under subsection 34(19) of the Planning Act, the affected portions of this By-law do not come into force until all such appeals have been withdrawn or finally disposed of, whereupon the By-law, except for those parts of it that are replaced by or at the direction of the Ontario Municipal Board, is deemed to have come into force on the day that it was passed.
- 1.6 **Repeal of Existing By-laws:**  
General Standards By-law 6-91 and all amendments thereto are repealed.
- 1.7 **Interpretation of Words:** For the purposes of this By-law:
  - i) words used in the present tense include the future;
  - ii) words in singular form include plural, and words in the plural form include the singular;
  - iii) the word “shall” is mandatory;
  - iv) the words “*used*” and “occupied” also mean “designed to be *used*” and “designed to be occupied”; and
  - v) the words indicated in *Italic* are defined in Section 2, “Definitions”.
- 1.8 **Interpretation:**
  - i) Where a situation arises that is not covered by a specific regulation, or where two or more regulations are equally applicable, all provisions must be complied with or, where it is not possible to comply with all the provisions applicable, the most restrictive provisions must be complied with.

- ii) Unless otherwise defined, the words and phrases used in this By-law have their normal and ordinary meaning.
  - iii) Tables are part of the By-law and are used throughout to present regulations in a concise format.
  - iv) All measurements in this By-law appear in metric. Imperial measurements are shown for convenience only.
- 1.9 **Boundary Interpretation:** Where any uncertainty exists as to the location of any boundary of any *zone*, the following applies:
- i) where the boundary is shown as following a Street, lane, right-of-way, *watercourse*, or electrical transmission line, the *zone* boundary is the centre line of such;
  - ii) where the boundary is shown as substantially following the *lot line* on a registered plan of subdivision or a reference plan, the *zone* boundary is the *lot line*;
  - iii) where the boundary is shown as substantially following the *high water mark* of a *watercourse*, the *zone* boundary is the *high water mark*; or,
  - iv) where uncertainty exists as to the boundary of any *zone* then the boundary of such *zone* shall be determined in accordance with the scale on the applicable Schedule at the original size.
- 1.10 **Conformity and Compliance with Zoning By-law:** No person shall change the *use* of any *building*, *structure* or *use* or occupy any *lot* or *building* in whole or in part except in conformity with the provisions of this By-law.
- 1.11 **Zones:** For the purposes of this By-law, the following *zones* are established and they may be referred to by the name or by the symbol set opposite the name of the *zone* below:
- |    |   |                              |
|----|---|------------------------------|
| WR | - | Waterfront Residential       |
| LR | - | Limited Services Residential |
| RU | - | Rural                        |
| CG | - | General Commercial           |
| CT | - | Tourist Commercial           |
| IG | - | General Industrial           |
| IE | - | Extractive Industrial        |
| IN | - | Institutional                |
| OS | - | Open Space                   |
| EP | - | Environmental Protection     |
| FP | - | Magnetawan River Floodplain  |
- 1.12 **Zone Schedules:** The *zones* and *zone* boundaries are shown on Schedules A1, A2, B1, B2, B3, C1, C2, C3, D1 and D2 to this By-law.

### 1.13 Zoning of Water and Islands:

- i) All permanent bodies of water are zoned Open Space (OS).
- ii) Any Island that does not have a zone symbol attached to it is zoned Open Space (OS).

1.14 **Special Zones:** A *zone* symbol followed by a number (for example, "RU-2"), denotes a special *zone*. The permitted *uses* and *zone provisions* for such special *zone* shall be set out in Section 4.3 of this By-law.

1.15 **Holding Zones:** Where a *zone* symbol is followed by the letter "H" (for example, WR-H), the land shall only be *used* for *existing uses*, the minor expansion of those *uses*, or open space or outdoor recreation uses which do not require the erection of a building or structure or the placement or removal of fill.

1.15.1 Council may pass a By-law pursuant to Section 36 of the Planning Act to remove the Holding (H) Symbol thereby placing the lands in the *zone* indicated by the *zone* symbol, when all of the applicable requirements have been met.

1.15.2 For properties which may be susceptible to flooding and/or a high water table, the requirements for removing the Holding (H) Symbol shall include demonstration, to the satisfaction of Council, that:

- i) the vegetation type and cover indicate that the property is not seasonally or permanently covered by shallow water nor does it have a water table close to or at the surface;
- ii) the elevation of the development site varies significantly from the surrounding property;
- iii) the soil is stable;
- iv) the nature and scale of the proposed development will not have a negative impact on existing drainage patterns, nor on fish and wildlife that may be present.

1.15.3 For properties which may be susceptible to flooding and/or other environmental constraints, the requirements for removing the Holding (H) Symbol may also include reports prepared by specialists qualified in the field to provide evidence to support the development in the areas of:

- i) Geotechnical investigation;
- ii) Site evaluation;
- iii) Environmental assessment;
- iv) Natural heritage evaluation;
- v) Flood proofing; and/or
- vi) Other mitigative measures, as appropriate.

- 1.16 **Enforcement:** Any person convicted of a violation of this By-law is liable, at the discretion of the convicting Justice, on first conviction to a fine of not more than \$25,000 and on a subsequent conviction to a fine of not more than \$10,000 for each day or part thereof upon which the contravention has continued after the day on which the person was first convicted.
- 1.17 **Level of Municipal Services:** This By-law does not imply the provision or availability of a specific level of municipal services on individual lots in the Township. Lots that do not abut year round publicly maintained roads may not have the same level of municipal services as do lots fronting on maintained public roads.

DRAFT FEBRUARY 9, 2010

## Section 2 - DEFINITIONS

- 2.1 **Accessory:** A use, building or structure that is incidental, subordinate and exclusively devoted to the permitted principal use, building or structure, and located on the same lot.
- 2.2 **Agricultural Use:** The growing of crops, including nursery and horticultural crops; raising of livestock; raising of other animals for food, fur or fibre, including poultry and fish; aquaculture; apiaries; agro-forestry, maple syrup production; and associated on-farm buildings and structures, including accommodation for full-time farm labour when the size and nature of the operation requires additional employment. Agricultural uses include value retention activities required to make a commodity salable (i.e. Corn dryer, washing, sorting, packing, and packaging).
- 2.3 **Alter:**
- a) With respect to a building or structure any alteration in a bearing wall, or partition column, beam, girder, or other supporting member of a building or structure, or any change in the area or cubic contents of a building or structure.
  - b) With respect to a lot, to change frontage, depth, or area of the lot or to change frontage, depth, or area of any required yard, *setback*, landscaped open space or parking area, or to change the location of any boundary of such lot with respect to a public highway or laneway, whether such alteration is made by conveyance or alienation of any portion of said lot, or otherwise.
- 2.4 **Bed and Breakfast Establishment:** A detached dwelling which is owner occupied and in which not more than three bedrooms are used or maintained for the accommodation of the travelling or vacationing public, in which the owner supplies lodging with or without meals.
- 2.5 **Boathouse:** A detached *accessory building* used for the berthing, sheltering or storing of boats and related equipment, built, founded or anchored near or at the *high water mark* of a navigable waterway or on land, but does not include living quarters for human habitation.
- 2.6 **Boat Port:** A detached *accessory building* used for the berthing, sheltering or storing of boats and related equipment that is roofed, but not enclosed by more than one wall and is built, founded or anchored near or at the *high water mark* of a navigable waterway or on land.
- 2.7 **Building:** Any structure used for the shelter or accommodation or enclosure of persons, animals, chattels or equipment, having a roof which is supported by columns or walls and including any tent, awnings or carports.

- 2.8 **Building Supply and Lumber Outlet.** Premises in which building or construction and home improvement materials are offered or kept for sale at retail and may include the fabrication of certain materials related to home improvements.
- 2.9 **Bulk Fuel Depot.** Premises for the storage and/or distribution of fuels and oils but not including retail sales or key lock operations.
- 2.10 **Camping Establishment.** A tourist establishment consisting of camping sites and comprising land used or maintained as grounds for the camping or temporary parking of trailers, truck campers, campers or tents, but does not include parks or camping grounds maintained by any department of the Government of Ontario or Canada, or any Crown corporation, commission or board.
- 2.11 **Camping Site.** That part of a *camping establishment* which is occupied on a temporary basis only, by a trailer, motorized home, truck camper, camper or *tent*, which shall have a minimum area of 75 square meters (800 square feet) and a minimum *frontage* on a private driveway of 6 metres (19.7 feet).
- 2.12 **Cartage, Transport or Bus Depot.** Premises where trucks, tractor trailers and/or buses are rented, leased, kept for hire, stored, or parked, for remuneration, of from which trucks, tractor trailers or buses are dispatched for hire as common carriers.
- 2.13 **Cemetery.** The land that is set apart or used as a place for the interment of the dead or in which human bodies have been buried.
- 2.14 **Commercial Nursery or Greenhouse.** Premises used for the growing of flowers, fruits, vegetables, plants, shrubs, trees and/or similar vegetation which is sold directly from the *lot* at retail.
- 2.15 **Commercial Self-Storage Facility.** Premises used for the temporary storage of household items and seasonal, recreational or commercial vehicles, boats and trailers in storage areas or lockers that are generally accessible by means of individual loading doors.
- 2.16 **Communications Tower.** A *structure* situated on a non-residential site that is intended for transmitting or receiving television, radio, or telephone communications, excluding those used exclusively for dispatch communications.
- 2.17 **Community Centre.** Premises used for community activities, the control of which is vested in the *Township* or other Public Authority.
- 2.18 **Conservation Use.** The preservation, protection and improvement of components of the natural environment, through a comprehensive management and maintenance program.
- 2.19 **Contractor's Yard.** Premises where equipment and materials used by a general contractor are stored or where a contractor performs shop assembly work.

- 2.20 **Convenience Store:** A retail commercial establishment supplying groceries and other daily household conveniences to the immediate surrounding area.
- 2.21 **Day Care Centre:** Premises that receive more than five (5) persons, primarily for the purpose of providing temporary care, but does not include a school, *group home* or nursing home.
- 2.22 **Day Care, Private Home:** Premises for the temporary care for reward or compensation of 5 children or less who are under 12 years of age where such care is provided in a dwelling, other than the home of a parent or guardian of any such child, for a continuous period not exceeding 24 hours.
- 2.23 **Deck:** An unenclosed *structure* that is *Accessory* to a residential use and used as an outdoor living *area*, with a foundation holding it *erect*, and, where attached to a *building*, with a floor which is above finished grade; a *deck* shall not include a landing nor a stair, and may be attached or detached from a *building*.
- 2.24 **Dock:** An *accessory structure* built at the *high water mark* or anchored over water at which watercraft are berthed or stored and which may provide a foundation for a *boathouse* or *boat port* or contain a non-permanent *tent* to provide shelter for such watercraft.
- 2.25 **Dwelling:** A *building* or part of a *building* occupied or capable of being occupied, in whole or in part as the home, residence or sleeping place of one or more persons either continuously, permanently, temporarily or transiently but shall not include a *trailer*, or truck *camper*.
- 2.26 **Dwelling, Duplex:** The whole of a building that is divided horizontally into two separate dwelling units, each of which has an independent entrance either directly from the outside or through a common vestibule.
- 2.27 **Dwelling, Semi-Detached:** The whole of a *building* divided vertically into two separate *dwelling units*, each of which has an independent entrance directly from the outside.
- 2.28 **Dwelling, Single Detached:** A detached *building* containing one *dwelling unit* only.
- 2.29 **Dwelling Unit:** A room or rooms in which a kitchen, living quarters and sanitary conveniences are provided for the exclusive use of the resident(s), with a private entrance from outside the *building* or from a common hallway or stairway.
- 2.30 **Equestrian Facility:** An area of land or buildings which are used for horse training, handling, care or lodging.
- 2.31 **Erect:** To Set up, build, construct, reconstruct or relocate, and, without limiting the generality of the work, also includes:
- any preliminary physical operation, such as excavating, filling or drainage;

- altering any existing *building* or *structure* by an addition, enlargement, extension, relocation or other structural change;
  - any work for the doing of which a Building Permit is required under The Building Code Act and Regulations; and,
  - *erect*, erected, and erection shall have a corresponding meaning.
- 2.32 **Existing:** A use, building or structure legally in existence on the date of the passing of this By-law.
- 2.33 **Farm Produce Sales Outlet:** A use accessory to a farm that consists of the retail sale of agricultural products produced on the farm where such outlet is located.
- 2.34 **Finished Grade:** The average elevation of the finished surface of the ground at ground level on any one side of a building or structure.
- 2.35 **Floor Area:** The total habitable floor area of all floors contained within the outside walls of a building excluding, in the case of a dwelling, the floor area of a private garage, porch verandah, unfinished attic, basement or cellar.
- 2.36 **Floor Area, Gross:** The total floor area, exclusive of any portion of the building or structure below finished grade measured between the exterior faces of the exterior walls which is used for heating, the storage of goods or personal effects, laundry facilities, or recreational areas, exclusive of any garage, carport, porch, verandah, deck or sunroom (unless such sunroom is habitable during all seasons of the year).
- 2.37 **Floor Area, Ground:** The floor area of the grade level storey of a building measured by the outside walls, excluding, in the case of a dwelling house, any private garage, carport, porch, verandah, deck or sunroom (unless such sunroom is habitable at all seasons of the year).
- 2.38 **Forestry Use:** The raising and harvesting of wood, and without limiting the generality of the foregoing, shall include the raising, cutting and storage of fuel wood, pulpwood, lumber, Christmas trees, and other forestry products.
- 2.39 **Garage:** A detached accessory building or portion of a dwelling house which is designed or used for the sheltering of a private motor vehicle and storage of household equipment incidental to the residential occupancy and which is fully enclosed and roofed and excludes a carport or other open shelter.
- 2.40 **Garden Suite:** An individual, temporary and self contained dwelling that is accessory to a primary single detached dwelling, located within a separate building and designed to be portable.
- 2.41 **Gazebo:** A freestanding, roofed, *accessory structure* which is not closed, except for screening or glass, and which is utilized for the purposes of relaxation.

- 2.42 **Golf Course:** A public or private area operated for the purpose of playing golf, and includes a par 3 Golf Course, club house and recreational facilities, accessory driving ranges, miniature golf courses, and similar uses.
- 2.43 **Group Home:** A single-detached dwelling in which not more than 6 persons, having physical, social or mental handicaps reside under the appropriate supervision of personnel, who may also reside in the dwelling, and which is licensed and/or approved for funding under provincial statutes and in compliance with municipal by-laws. A dwelling or other facility occupied for the purpose of providing shelter for persons on parole or released from penal institutions, or for persons ordered to reside there as a result of a conviction of a criminal offence is not a Group Home for the purposes of this By-law.
- 2.44 **Guest Cabin:** A single storey accessory structure with no cooking facilities, which is not attached to the main single detached dwelling on a lot and is maintained for the accommodation of an individual or individuals occasionally, from which there shall be no monetary gain.
- 2.45 **Habitable Room:** A room designed for living, sleeping, eating or food preparation including but not limited to a den, library, office, craft or hobby room, sewing room, enclosed sunroom, or screened room.
- 2.46 **Height Of Building:** The vertical distance measured from the average finished grade on the side of the building facing the front lot line or exterior side lot line, whichever results in the greater height measurement of the building, or from the side of the building facing the *high water mark* on a lot that abuts a watercourse, or in the case of a boathouse over water, the vertical distance between the high water mark to:
- i) In the case of a flat roof, the highest point of the roof surface;
  - ii) In the case of a mansard roof, the deck roof line;
  - iii) In the case of a gable, hip or gambrel roof, the average height between the eaves and ridge.
  - iv) in the case of an A-frame, 75% of the distance between the finished grade measured at the midpoint of the front and rear of the building and the ridge.
- 2.47 **High Water Mark:** The normal ordinary or regulated high water mark of any body of water, as indicated by the character of the vegetation or soil.
- 2.48 **Home Industry:** A small scale light industrial use, such as a carpentry shop, a metal working shop, a welding shop or an electrical shop that provides services or wares to the community and which is an accessory use to a single detached dwelling. For the purposes of this By-law, the repairing of motor vehicles, mobile homes and trailers is not a home industry.

- 2.49 **Home Occupation:** Any occupation conducted for gain or support conducted entirely within a single detached dwelling as an accessory use by the residents thereof in accordance with the provisions of this By-law.
- 2.50 **Hunt Camp:** A building with a maximum floor area of 60 square metres (645.8 square feet) occupied as a temporary base for hunting or fishing activities.
- 2.51 **Kenel:** Premises where domestic household pets are kept, raised and/or boarded on a commercial basis.
- 2.52 **Landscaped Open Space:** The open unobstructed space from ground to sky at grade on a *lot*, and suitable for the growth and maintenance of grass, flowers, trees, bushes and other landscaping and includes any surfaced walk, patio or similar area but does not include any driveway or ramp, whether surfaced or not, any curb, retaining wall, *parking area* or any *open space* beneath or within any *building* or *structure*.
- 2.53 **Light Equipment Sales And Rental Establishment:** Premises in which light machinery and equipment such as air compressors and related tools and accessories, augers, automotive tools, cleaning equipment, light compaction equipment, concrete and masonry equipment, electric tools and accessories, fastening devices such as staplers and tackers, floor and carpet tools, gasoline generators, jacks and hydraulic equipment, lawn and garden tools, ladders, moving equipment, painting and decorating equipment, pipe tools and accessories plumbing tools and accessories, pumps, hoses, scaffoldings, welding equipment, and other similar tools and appurtenances are offered or kept for rent, lease or hire under agreement for compensation, but shall not include any other establishment defined or classified in this By-law.
- 2.54 **Loading Space:** An off-street space on the same *lot* as the *building*, or contiguous group of buildings, for the temporary parking of a commercial vehicle while loading or unloading of merchandise or materials, which abuts upon a *street*, lane, road, highway or other appropriate means of Access.
- 2.55 **Lot:** A parcel of land legally capable of being conveyed separately from any other lands. The whole of any lands which cannot be legally conveyed separately from each other.
- 2.56 **Lot Area:** The total horizontal area within the boundaries of a *lot*, measured above the High Water Mark.
- 2.57 **Lot, Corner:** A *lot* situated at the intersection of two or more *streets*, or a *lot* abutting on one or more parts of the same *street*.
- 2.58 **Lot Coverage:** The percentage of the *lot area* covered by the *ground floor area* of all *buildings* or *structures* on the *lot*, excluding a septic system leaching bed.
- 2.59 **Lot Frontage:** The horizontal straight-line distance determined as follows:

- a) Where the *front lot line* is the *high water mark*, the straight-line distance between the points where the *side lot lines* or their straight *line* projections intersect the *high water mark*;
- b) Where there are no *side lot lines*, the greatest distance between any point on the *front lot line* and any point on the *rear lot line*;
- c) Where there are two (2) *front lot lines* abutting the same *street* or *high water mark*, the longer of the two front lot lines shall be used to measure frontage; or
- d) In all cases other than those above, the distance between the points where the *side lot lines* intersect with the *front lot line*.

2.60 **Lot Line:** A boundary of a *lot* or the vertical projection of such *lot line*.

2.61 **Lot Line, Exterior Side:** The *side lot line* which abuts an improved public *street* or an unopened *road allowance* on a *corner lot*.

2.62 **Lot Line, Front:**

- a) In the case of an *interior lot*, the *line* dividing the *lot* from the *street* or private right-of-way;
- b) In the case of a *corner lot*, the shorter *lot line* abutting a *street* or private right-of-way shall be deemed the *front lot line* and the longer *lot line* abutting a *street* or private right-of-way shall be deemed a *side lot line*;
- c) In the case where a *lot* fronts upon a *watercourse*, the *high water mark* shall be deemed to be the *front lot line*; or
- d) In the case of a through *lot*, the *lot line* where the principal access to the *lot* is provided shall be deemed to be the *front lot line*, with the exception of where the *lot* abuts the *high water mark*, in which case the *high water mark* is the *front lot line*

2.63 **Lot Line, Interior Side:** A *lot line* other than a *front*, *rear*, or *exterior side lot line*.

2.64 **Lot Line, Rear:** The *lot line* furthest from or opposite to the *front lot line*.

2.65 **Lot Line, Side:** A *lot line* other than a *front* or *rear lot line*.

2.66 **Lot, Through:**

- a) a *lot* other than a *corner*, having separate frontages on two *streets*; or
- b) a *lot* other than a *corner lot* having separate frontages on a *watercourse*;
- c) a *lot* other than a *corner lot* having separate frontages on a *street* and a *watercourse*.

2.67 **Manufacturing:** The *use* of land, *buildings* or *structure* for the purposes of *manufacturing*, assembling, making, preparing, inspecting, finishing, treating, *altering*, repairing, warehousing or storing or adapting for sale, any good, substance, article, thing or service.

- 2.68 **Marina:** Premises inclusive of boat launching and docking facilities, located on a navigable waterway, where boats, other watercraft and boating accessories, and recreational vehicles are stored, serviced, repaired, or kept for sale or rental and where facilities for the sale of marine fuels and lubricants may be provided.
- 2.69 **Mobile Home:** A *dwelling* built and designed to be made mobile on a steel chasis and fitted with wheels (whether or not the wheels have been removed) that is intended to be hauled to a permanent site, for a residence for one or more persons, but does not include a travel *trailer*, *tent trailer* or motor *home* otherwise designed.
- 2.70 **Motor Vehicle:** Any equipment self-propelled by an engine or a motor mounted on the vehicle, within the meaning of The Highway Traffic Act.
- 2.71 **Motor Vehicle Body Shop:** Premises *used* for the painting or repairing of *motor vehicle* bodies, in conjunction with which there may be towing services and *motor vehicle* rentals for customers while the *motor vehicle* is under repair, but shall not include any other establishment otherwise defined or classified in this By-law.
- 2.72 **Motor Vehicle Dealership:** Premises where a dealer displays new *motor vehicles* for sale or rent or where used *motor vehicles* are kept for sale in conjunction with which there may be a *motor vehicle repair garage* or a *motor vehicle Body Shop*.
- 2.73 **Motor Vehicle Repair Garage:** Premises where the exclusive service performed or executed on *motor vehicles* for compensation may include the installation of exhaust systems, repair of the electrical systems, transmission repair, brake repair, radiator repair, tire repair and installation, rustproofing, *motor vehicle* diagnostic centre, major and minor mechanical repairs or similar *use* and in conjunction with which there may be a towing service, a *motor vehicle* service station and *motor vehicle* rentals for the convenience of the customer while the *motor vehicle* is being repaired, but shall not include any other establishment otherwise defined or classified in this By-law.
- 2.74 **Motor Vehicle Service Station:** Premises where gasoline, oil, grease, antifreeze, tires, tubes, tire accessories, electric light bulbs, sparkplugs, batteries, automotive accessories for *motor vehicles*, and new retail goods are stored or kept for sale to the general public; such shall require a public washroom.
- 2.75 **Non-Complying:** An *existing lot*, *building* or *structure* that does not fulfill the requirements of the *zone* provisions for the *zone* in which the *lot*, *building* or *structure* is located.
- 2.76 **Non-Conforming:** An *existing use* of any land, *building* or *structure* which does not conform with the permitted *uses* of this By-law for the *zone* in which such *existing* land, *building* or *structure* is located, so long as it continues to be used or enjoyed for that purpose.
- 2.77 **Noxious:** When used with reference to any use or activity in respect of any land, building or structure or a use or activity which, from its nature or form the manner of carrying on same, creates or is liable to create, by reason of destructive gas or

- fumes, dust, objectionable merchandise, salvage, machinery parts, junk, waste or other material(s), conditions which may become hazardous or injurious as regards to health or safety or which prejudices the character of the surrounding area or interferes with or may interfere with the normal enjoyment of any use or activity in respect of any land, building or structure.
- 2.78 **Nursing Home:** Premises in which the proprietor supplies for hire or gain, lodging with or without meals and nursing, medical or similar care and treatment, and operates under the appropriate statute(s).
- 2.79 **Office:** Premises in which one or more persons are employed in the management, direction or conducting of a business, or where professionally qualified persons and their staff serve clients or patients who seek advice, consultation or treatment.
- 2.80 **Open Storage:** The storage of goods, merchandise or equipment outside of a *building* or *structure* on a *lot* but does not include the storage of vehicles or equipment for sale or repair. This definition shall not include the *open storage* of goods or equipment incidental to the residential occupancy of the *lot*, a *parking area*, or a *storage use* or area located inside a *building*.
- 2.81 **Outdoor Display and Sales Area:** An area of land, used in conjunction with a business located within a building or structure on the same lot, for the display or sale of produce, merchandise or the supply of services.
- 2.82 **Park:** An area of public land specifically defined or set aside for *use* by and for the general public for active and/or passive recreational *uses*, and includes all landscaping, facilities, *buildings* and *structures* related to the recreation *use*.
- 2.83 **Parking Area:** An area or a *building* or part thereof which is provided and maintained upon the same *lot* upon which the principal *use* is located for the purpose of parking *motor vehicles*.
- 2.84 **Pit:** Land from which unconsolidated aggregate may be excavated but does not include an excavation for a *building* or *structure*.
- 2.85 **Place of Assembly:** Premises designed and used to accommodate gatherings of people such as clubs, reception halls, funeral homes, conference centres, legion halls, community halls and lodges, and for events such as trade shows, banquets, and political or other conventions.
- 2.86 **Place of Worship:** A church, chapel, temple, parish hall, mosque or synagogue including offices for the administration of the religious institution, convent, seminary, monastery, rectory, parsonage or parish house.
- 2.87 **Planting Strip:** A landscaped or naturally planted area reserved for the purpose of screening adjacent *uses* by the planting or maintaining of trees and shrubs and shall consist of at least a continuous row of trees, evergreens or shrubs, not less than 1.8 metres (5.9 feet) high.

- 2.88 **Porch:** A structure attached to a permitted building which is covered and enclosed partially or wholly on its sides by screening.
- 2.89 **Portable Processing Plant:** Equipment for the crushing, screening or washing of sand and gravel aggregate materials, which is capable of being readily drawn or readily propelled by a *motor vehicle* and is not considered permanently affixed to the site, but not including a concrete batching plant or an asphalt plant.
- 2.90 **Principal Building:** Any *building* which is the principal purpose for which the *building lot* is used and shall include a barn or silo used in conjunction with an agricultural use.
- 2.91 **Private Road:** A road, laneway or driveway providing motor vehicle access to a property which is not a *Public Road* including a right-of-way or an Access Road as defined in the Road Access Act.
- 2.92 **Public Authority:** Any Federal, Provincial, or Municipal agency, and includes any commission, board, authority or department established by such agency and shall include Hydro One, Ontario Power Generation, and Bell Canada.
- 2.93 **Public Road:** A highway that is a principal means of access to abutting property and that is either under the jurisdiction of the Province of Ontario or is shown on the schedule maps attached to and forming part of this by-law as a “Public Year Round Road” or a “Public Seasonal Road”.
- 2.94 **Public Use:** The use of premises by a *public authority*, for the purpose of providing its services to the public, or carrying out its public mandate.
- 2.95 **Pumphouse:** An Accessory *building* used only to shelter a pump and related tools and equipment used to take water from a well, stream or lake and pressurize it, and which has a horizontal *floor area* of less than 4.6 square metres (49.5 square feet).
- 2.96 **Quarry:** Land from which consolidated aggregates may be excavated, but does not include an excavation for a *building* or *structure*.
- 2.97 **Recreational Facility:** Premises designed and equipped for the conduct of sports, leisure time activities and other customary and usual recreational activities.
- 2.98 **Recreational Trail:** An integrated, accessible open space system used for hiking, horseback riding, cross country skiing, snowmobiling and/or other similar forms of recreation travel.
- 2.99 **Restaurant:** Premises where food is offered for sale or sold to the public primarily for immediate consumption.
- 2.100 **Retail Store:** Premises where goods, wares, merchandise, substances or articles, are offered or kept for retail sale or rental and includes storage on or about the store premises for limited quantities of such goods, wares, merchandise, substances, or

articles sufficient to service such stores but does not include any retail outlet otherwise classified or defined in this By-law.

- 2.101 **Salvage Or Wrecking Yard:** Premises where *motor vehicles* and parts are wrecked, disassembled, repaired and resold; second-hand goods, including waste paper, bottles, automobile tires, clothing, other scrap materials, used lumber, used building materials and salvage are collected to be sorted, and/or stored for sale or resale.
- 2.102 **Sawmill or Planing Mill:** Premises where timber is cut or milled, and temporarily stored either as finished or unfinished lumber.
- 2.103 **Septic System Leaching Bed:** An absorption system constructed as absorption trenches or as a filter bed, located wholly in filter media that is contained between the surface to ground or raised or partly raised above ground as required by local conditions, to which effluent from a treatment unit is applied for treatment and disposal but does not include the mantel area.
- 2.104 **Service Shop, Light:** Premises, not otherwise defined or classified in this By-law, for the servicing or repairing of articles, goods or materials, as well as facilities for accessory retail sales.
- 2.105 **Service Shop, Personal:** Premises in which persons are employed in furnishing services and otherwise administering to the individual and personal needs of persons, such as a barber's shop, a ladies hairdressing establishment or a shoe repair shop.
- 2.106 **Setback:** The distance between a lot or zone boundary and a building, structure or use on a lot.
- 2.107 **Shoreline Buffer:** A natural area maintained in its natural pre-development state, with the exception of minimal pruning of vegetation and the removal of trees for safety reasons, for the purpose of buffering buildings or structures on a lot. Where the natural state has been altered, the area may be planted with indigenous trees and shrubs. Where the natural shoreline of a property is a natural beach or is a rock outcropping with little or no soil, such shall be deemed to comply.
- 2.108 **Storey:** The portion of a *building* other than the basement which lies between the surface of the floor and the surface of the next floor above it, or if there is no floor above it, then the space between such floor and the ceiling or roof next above it.
- 2.109 **Street:** A highway as defined under The Highway Traffic Act, or the Municipal Act or a *public road* which has been assumed and is maintained by the *Township*.
- 2.110 **Street Line:** The limit of the *street* or road allowance and the dividing line between a *lot* and a *street* or road.

- 2.111 **Structure:** Anything man-made that is fastened to or into the earth or another *structure* or rests on the earth by its own mass or is attached to a *building* including a septic system leaching bed, holding tanks, satellite receiving dishes and heat pumps.
- 2.112 **Temporary Accommodation:** Any trailer, vehicle or shelter manufactured or modified to be *used* as living quarters, and capable of being *used* for temporary accommodations.
- 2.113 **Tent:** Any kind of temporary shelter for sleeping that is not permanently affixed to the site and that is capable of being easily moved and is not considered a *structure*.
- 2.114 **Tent and Trailer Park:** Premises used and maintained as an overnight *tent* or camping ground where people are temporarily accommodated in *tents*, *travel trailers*, cabins, recreational vehicles or other similar facilities, whether or not a fee or charge is paid for the rental thereof, but does not accommodate *mobile homes*.
- 2.115 **Tourist Establishment:** Any premises operated to provide sleeping accommodation for the traveling or vacationing public, and may include services and facilities in connection with which sleeping accommodation is provided.
- 2.116 **Township:** The Corporation of the *Township* of Ryerson.
- 2.117 **Travel Trailer:** Any vehicle designed to be towed by a *motor vehicle* and capable of being used for the temporary lodging of persons, notwithstanding that such vehicle is jacked up or that its running gear is removed. This definition does not include a *mobile home*.
- 2.118 **Truck Camper:** Any unit constructed so that it may be attached upon a *motor vehicle*, as a separate unit, and capable of being temporarily utilized for the lodging of persons.
- 2.119 **Use:** Any purpose for which a *building*, *structure* or a parcel of land may be designed, arranged, intended, maintained or occupied; or any activity, occupation, business or operation carried on, or intended to be carried on, in a *building*, *structure* or on a parcel of land.
- 2.120 **Veterinary Clinic:** Premises where a veterinary surgeon treats domestic animals, birds or other livestock and in which animals may be boarded.
- 2.121 **Warehouse:** Premises used for the storage and distribution of goods, wares, merchandise, substances or articles and may include facilities for a wholesale or retail commercial outlet, but shall not include facilities for a truck or transport terminal or *yard*.

- 2.122 **Waste Disposal Site:** An area of land where garbage, refuse and/or domestic waste is disposed of or dumped and, for the purposes of this By-law, shall include a sanitary landfill site or sewage lagoon owned, operated and maintained by the Township or the Ministry of the Environment or their agents, but shall not include a private or communal septic system leaching bed.
- 2.123 **Watercourse:** A waterbody or natural channel for a perennial or intermittent stream of water including a river or stream.
- 2.124 **Waterfront Landing:** The use of land as a docking and parking facility, which serves as a mainland access point for a commercial or residential property that are accessible by water, but which does not include vessel or vehicle sales, rental or service, or the sale of fuel.
- 2.125 **Water Setback:** The straight line horizontal distance from the *high water mark* of a *watercourse* to the nearest part of an excavation, *building, structure, or open storage use* on the property.
- 2.126 **Wayside Pit or Wayside Quarry:** A temporary source of consolidated or unconsolidated aggregate opened by or for a public authority, for the purpose of a particular project or public road construction.
- 2.127 **Workshop:** Premises where fabrication or manufacturing is performed by tradespersons requiring manual or mechanical skills and may include an upholsterer's shop, a carpenter's shop, a locksmith's shop, a gunsmith's shop, a tinsmith's shop, a machine and/or welder's shop.
- 2.128 **Yard:** An open, uncovered space on a lot appurtenant to a principal building or use and unoccupied by buildings or structures except as specifically permitted in this By-law.
- 2.129 **Yard, Front:** A yard extending across the full width of the lot between the front lot line of the lot and the nearest part of any building or structure on the lot, the nearest outside storage use on the lot, or edge or rim of an excavation on the lot.
- 2.130 **Yard, Required:** The minimum yard required by the provisions of this By-law.
- 2.131 **Yard, Rear:** A yard extending across the full width of the lot between the rear lot line of the lot and the nearest part of any building or structure on the lot, the nearest outside storage use on the lot, or edge or rim of an excavation on the lot.
- 2.132 **Yard, Side:** A yard extending from the required front yard to the required rear yard and from the side lot line of the lot to the nearest part of any building or structure on the lot, the nearest outside storage use on the lot, or edge or rim of an excavation on the lot.

## Section 3 - GENERAL PROVISIONS

### 3.1 Accessory Buildings, Structures and Uses

#### 3.1.1 Permitted Uses

Where this By-law provides that a *lot* may be *used* and a *building* or *structure* may be *erected* or used for a purpose, that purpose shall include any *accessory building* or *accessory use* provided that a *building* permit for the principal *use*, if required, is issued or that the principal *building* or *structure* is already in existence on the *lot*.

*Accessory buildings* shall not be used for any occupation for gain or human habitation, except where specifically permitted by this by-law.

#### 3.1.2 Setback Requirements

Except as specifically provided in this section, any *accessory building* or *structure* shall comply with the applicable *yard* and *setback* requirements of the *zone* within which it is located.

#### 3.1.3 Lot Coverage

The total *lot coverage* of all *accessory buildings* and *structures* shall not exceed 5 percent of the *lot area*.

#### 3.1.4 Height

The height of any *accessory building* or *structure* shall not exceed 6 metres (19.7 feet) or the height of the permitted principal *building* or *structure* whichever is most restrictive.

#### 3.1.5 Accessory Structure Encroachments

Notwithstanding the *yard* and *setback* provisions of this By-law to the contrary, drop awnings, clothes poles, flag poles, garden trellises, retaining walls, fences, signs, or similar *uses* which comply with this By-law are permitted in any required *yard*

The following obstructions may project not more than 1.0 metre (3.3 ft.) into a required *side yard* and not more than 1.5 metres (4.9 ft.) into any other required *yard*:

- fire escape or open stairway
- deck
- bay window

dormer  
vestibule

provided, however, such obstruction is no closer than 1.0 metre (3.3 ft.) to the *lot line*.

### **3.1.6 Dock, or Launching Ramp**

Notwithstanding the *yard* provisions of this By-law to the contrary, a boat launching ramp, or *dock* may be *erected* and used in any *yard*, abutting on a navigable waterway, except where prohibited by the provisions of a specific *zone*, provided such *structure* is located no closer than 3 metres (9.8 feet) to the *side lot line* or the projection of the *side lot line* into the water.

### **3.1.7 Boathouse or Boat Port**

The maximum size of any *boathouse* or *boat port* shall be one storey in height and 100 square metres (1,076.4 square feet).

A maximum of one *boathouse* or *boat port* is permitted on a lot.

A minimum side yard of 6.0 metres (19.7 feet) is maintained both on land and in the water when the side lot line boundaries are extended from the *high water mark* into the water.

The maximum projection of a *boathouse* or *boat port* into the water shall be 15 metres (49.2 feet) from the high water mark.

A boathouse or boat port is not permitted to project into the water where it is located on a lot that abuts the Magnetawan River, but is permitted to be located at the *high water mark*.

No *boathouse*, or part thereof, shall be used for the provision of sleeping or cooking accommodation.

### **3.1.8 Garages or Other Accessory Buildings or Structures**

Notwithstanding the *yard* and *setback* provisions of this By-law to the contrary, an attached or detached private *garage* or other *accessory building* or *structure* may be *erected* and used in a *side* or *rear yard*, provided that:

- i) where such *accessory building* or *structure* is located in an *interior side yard*, it shall not be closer than 3 metres (9.8 feet) to the *interior side lot line* or 10 metres (32.8 feet) to an *exterior side lot line*;

- ii) where such *accessory building* or *structure* is located in a *rear yard*, it shall not be closer than 3 metres (9.8 feet) to the *rear lot line* except, where the *rear lot line* abuts a municipally maintained road, where it shall not be closer than 10 metres (32.8 feet) to the *rear lot line*;
- iii) Notwithstanding the foregoing provisions, no *accessory building* or *structure* shall be *erected* closer than 6 metres (19.7 feet) to an *interior side lot line* within any Commercial (C) or Industrial (I) zone; and
- iv) A maximum of one detached garage is permitted on a lot.

### 3.1.9 Decks, Steps, Balconies, Verandahs or Patios

Notwithstanding the *yard* and *setback* provisions of this By-law, *decks*, balconies, steps and patios, may project into any required *yard* a maximum of 3 metres (9.8 feet), but not closer than 1.5 metres (4.9 feet) to any *lot line*, where the floor of any porch, balcony, or *deck* is more than 1.0 metres (3.3 feet) above finished grade the *setback* requirements for the principal *use* shall apply.

### 3.1.10 Guest Cabin

A *guest cabin* is permitted on a *lot* in the Waterfront Residential (WR), or Limited Service Residential (LR) zone provided that:

- i) No cooking facilities are located in the *guest cabin*;
- ii) It has an area of 50 square metres (538 square feet) or less;
- iii) It has a height not greater than one storey;
- iv) It complies with all of the *setbacks* that apply to the principal *building* on the *lot*; and
- v) A maximum of one *guest cabin* is permitted on a lot.

### 3.1.11 Septic System Leaching Bed

A septic system leaching bed shall be located a minimum of 30 metres (98.4 feet) from the *high water mark*.

## 3.2 Building Permit Issued

The provisions of this By-law shall not apply to prevent the Use of any Existing Lot, Building or Structure for any purpose prohibited by this By-law for which the plans have, prior to the passing of this By-law, been approved by the Chief Building Official, so long as the Building or Structure, when Erected, is used and continues to be used for the purpose for which it was Erected or the Building permit remains valid.

### **3.3 Established Building Line**

Where a permitted dwelling is to be erected on a *lot* and where there is an established *building line* extending along the *street* on both sides of the *lot* 50 metres (164 feet) in either direction, such permitted *dwelling* may be erected closer to the *street line* than required by this By-law such that the *yard* is equal to the average *setback* of adjacent *dwellings* on the same *side* of the *street*. This provision does not apply to the *lot line* abutting a watercourse.

### **3.4 Existing Buildings, Structures and Uses**

#### **3.4.1 Continuation of Existing Uses:**

The provisions of this By-law shall not apply to prevent the use of any lot, building or structure for any purpose prohibited by this By-law if such lot, building, or structure was lawfully used for such purpose on the date of passing of this By-law so long as it continues to be used for that purpose.

#### **3.4.2 Prohibited Exterior Extension:**

The exterior of any building or structure, which at the date of passing of this By-law was lawfully used for a purpose not permissible within the Zone in which it is located, shall not be enlarged, extended, reconstructed, or otherwise structurally altered, unless such building or structure is to be used for a purpose permitted within such Zone, and complies with all requirements of this By-law for such Zone.

#### **3.4.3 Permitted Interior Alteration:**

The interior of any building or structure, lawfully used at the date of passing of this By-law may be reconstructed or structurally altered, in order to render the same more convenient or commodious for the same purpose for which such building or structure was lawfully used.

#### **3.4.4 Restoration to a Safe Condition:**

Nothing in this By-law shall prevent the strengthening or restoration to a safe condition of any building or structure or part thereof lawfully used on the date of passing of this By-law, provided that the strengthening or restoration does not increase the building height, size or volume, or change the use of such building or structure, and provided that approval for a septic system may be obtained for the use, where applicable.

#### **3.4.5 Permitted Non-Complying Building or Structure:**

Nothing in this By-law shall prevent the reconstruction, relocation, renovation, enlargement or repair of an existing building or structure on a lot that does

not comply with the *setback* and yard requirements of this By-law, which existed at the date of passing of this By-law, and which is used for a purpose specifically permitted within the Zone in which such building or structure is located, provided:

- i) there is no further encroachment into the required *setback* or yard;
- ii) any addition to the existing building or structure maintains the existing *setback* from the *high water mark* or 15 metres (49.2 feet), whichever is greater;
- iii) if the reconstruction or relocation would result in an increase to the gross floor area of the building or structure, that the entire building or structure maintains the existing *setback* from the *high water mark* or 15 metres (49.2 feet), whichever is greater;
- iv) approval for a septic system is obtained, where applicable; and,
- v) it is in compliance with all other provisions of this By-law.

### **3.5 Existing Lots**

#### **3.5.1 Existing Undersized Lots:**

Notwithstanding any other provision of this By-law to the contrary, where a lot having a lesser lot area and/or frontage than required herein is held under distinct and separate ownership from an abutting lot or lots as shown by a conveyance of title properly registered prior to the date of passing of this By-law or, where such a lot is created as a result of an expropriation, such lot may be used and a building or structure may be erected, altered or used on such smaller lot, provided that all other applicable zone provisions of this By-law are complied with.

#### **3.5.2 Enlargement of Existing Lots:**

Where lands are added to an existing undersized lot, the resulting lot shall be deemed to comply with the minimum lot frontage and area requirements of this By-law, and may be used for a purpose permitted in the Zone in which such lot is located, provided it is in compliance with all other applicable provisions of this By-law.

### **3.6 Floor Area Less Than Required:**

Nothing in this By-law shall prevent an extension or an addition being made to a permitted *Dwelling*, which *Dwelling* existed at the time of passing of this By-law but which has a gross *floor area* or *Dwelling unit area* less than required by this By-law, provided such extension or addition does not contravene any other provision of this By-law.

### **3.7 Frontage on a Public Road**

#### **3.7.1 Improved Public Road**

No person shall *erect any building or structure* in a zone after the passing of this By-law, unless the *lot* upon which such *building or structure* is to be *erected* abuts a *public year round road*.

#### **3.7.2 Subdivision Agreement**

The provisions of Section 3.7.1 shall not apply to prevent the erection of a permitted *building or structure* on a *lot* in a registered plan of subdivision where a Subdivision Agreement has been entered into with the *Township*, notwithstanding that the road or roads will not be assumed by the *Township* until the end of the maintenance period.

#### **3.7.3 Existing Uses not on an improved public road**

The provisions of Section 3.7.1 shall not apply to prevent the enlargement, extension, renovation, reconstruction or other structural alteration of an *existing building or structure*, which is located on a *lot* which does not have frontage upon a *public year round road*, provided the *use* of such *building or structure* does not change and is permissible within the *zone* in which it is located.

#### **3.7.4 Exception to Road Access**

Notwithstanding Section 3.7.1 of this By-law, a *use, building or structure* may be developed in the Limited Services Residential (LR) *zone* in accordance with the applicable provisions of this By-law, without *frontage* on a *public road*.

#### **3.7.5 Hunt Camps**

Notwithstanding the provisions of 3.7.1, a *hunt camp* shall be permitted if it is located a minimum of 120 metres (394 feet) from the nearest *Public Road* in the RU *zone*. The provisions and requirements of the LR *zone* apply to any *hunt camp*.

### **3.8 Group Home**

A *group home* is permitted in all *zones* that permit a *dwelling* as a permitted *use*.

No *group home* shall be permitted within 450 metres (1,476 feet) of another *group home* in the *Township*.

### **3.9 Height Exceptions**

Notwithstanding the height provisions of this By-law to the contrary, nothing in this By-law shall apply to prevent the *erection, alteration, or use* of a barn, silo, church spire, belfry, flag pole, clock tower, chimney, water tank, windmill, radio or television tower or antenna, air conditioner duct, grain elevator, incidental equipment required for processing, external equipment associated with internal equipment or machinery and conveying equipment, which exceeds the maximum height requirements provided the main or principal *use* is permitted within the *zone* in which it is located and provided all other applicable provisions of this By-law are complied with.

### **3.10 Home Occupation:**

The following regulations apply to regulate a home occupation where such a use is permitted.

- i) The *home occupation* shall clearly be secondary to the main residential use of the property and shall not change the residential character of the *dwelling*;
- ii) Such *home occupation* shall not be a nuisance to, nor interfere with, television or radio reception of others in neighbouring *buildings* or *structures*;
- iii) Such *home occupation* shall not include a medical clinic, a private hospital, a nursing home, a boarding house, an eating establishment or a veterinary clinic, but may include a business or professional office that complies with the provisions of this subsection;
- iv) There shall be no display to indicate that any part of the property is being used for other than residential or agricultural uses except for an unlit sign of not more than 0.5 metres square (5.4 square feet), except where a lot fronts on a County Road or Provincial Highway, in which case the requirements of the County or the Province shall be complied with;
- v) The *home occupation* use shall be conducted entirely within the *dwelling*;
- vi) Not more than 25% of the gross floor area of the *dwelling* shall be used for the purposes of *home occupation* use;
- vii) Such use is conducted by a person or persons residing in the *dwelling*;
- viii) There shall be no more than two (2) commercial vehicles parked at any one time on the property;
- ix) There shall be no outside storage of goods or materials associated with the *home occupation* use; and,
- x) There shall be no goods, wares or merchandise offered for sale or rent from the *dwelling* which are not manufactured or processed on the lot.

### **3.11 Home Industry:**

The following regulations apply to regulate a home industry where such a use is permitted:

- i) The *home industry* shall clearly be secondary to the main residential use of the property and shall not change the residential character of the *dwelling*;
- ii) There shall be no emission of noise, odour or dust that is not normally attributable to the use of the land for other uses permitted in the *Zone*;
- iii) Such *home industry* shall not be a nuisance to, nor interfere with, television or radio reception of others in neighbouring *buildings* or *structures*;
- iv) There shall be no display to indicate that any part of the property is being used for other than residential or agricultural uses except for an unlit sign of not more than 0.8 metres square (8.6 square feet), except where a lot fronts on a County Road or Provincial Highway, in which case the requirements of the County or the Province shall be complied with;
- v) No *home industry* shall be located within 300 metres (984.3 feet) of any waterbody;
- vi) The *home industry* shall meet the same *yard* provisions as required for the principal residential use for the *Zone* in which it is located, with the exception of the *interior side yard*, which shall be a minimum of 10 metres (32.8 feet);
- vii) The use shall not occupy more than 25% of the gross floor area of a *dwelling*, or where located in an *accessory building*, shall not occupy more than 90 square metres (968.8 square feet);
- viii) A maximum of two (2) employees who do not live in the *dwelling* may be employed on site in the *home industry* and additional employees may be employed off-site;
- ix) There shall be no more than three (3) commercial vehicles parked at any one time on the property;
- x) Any permitted *open storage* shall be screened from view;
- xi) A *planting strip* shall be provided on the *lot* in accordance with the provisions of this By-law; and,
- xii) There shall be no goods, wares or merchandise offered for sale or rent from the *dwelling* which are not manufactured or processed on the *lot*.

### **3.12 Loading Space Regulations:**

*Loading* or unloading *spaces* are required under this By-law, in accordance with the *Loading Space Requirement Table*. The owner of every *building* or *structure* erected for any purpose involving the receiving, shipping, *loading* or unloading of persons, animals, goods, wares, merchandise or raw materials shall provide and maintain on the *lot*, *loading* and unloading *spaces*. For the purposes of this By-law, each *loading* or unloading *space* shall be 9.0 metres (29.5 feet) in length, 4.0 metres (13 feet) in width and have a vertical clearance of 5.0 metres (16.4 feet). In addition, adequate

space shall be provided for the parking of vehicles awaiting access to the *loading* or *unloading spaces*.

LOADING SPACE REQUIREMENT TABLE	
Gross Floor Area of Building	Loading Spaces Required
Less than 300 m <sup>2</sup> (3,200 sq. ft.)	1 space
300 m <sup>2</sup> to 2,800m <sup>2</sup> (3,230-30,140 sq. ft.)	2 spaces
2,800m <sup>2</sup> to 7,500m <sup>2</sup> (30,140-80,730 sq. ft.)	3 spaces
More than 7,500m <sup>2</sup> (80,730+ sq. ft.)	3 spaces + 1 additional space for each additional 9,300 m <sup>2</sup> (100,100 sq. ft.) or part thereof in excess of 7,500 m <sup>2</sup> (80,730 sq. ft.)

**3.14.1 Access:**

Access to *loading* or *unloading spaces* shall be by means of a driveway at least 6 metres (19.7 feet) in width contained on the lot on which the spaces are located and leading to a *public road*.

**3.14.2 Loading Space Surface:**

Driveways, *loading* and *unloading spaces*, and, related aisles and turning areas shall be maintained with a stable surface which is treated so as to prevent the raising of dust. Such *loading* and *unloading facilities* shall be constructed of crushed stone, gravel, asphalt, concrete or similar material and shall include provisions for drainage facilities.

**3.14.3 Location:**

The *loading space* or spaces required hereunder shall be located in the *interior side* or *rear yard* unless such space or spaces are removed from the *street line* a minimum distance of 15 metres (49.2 feet).

**3.14.4 Additions to or Change in Use of Existing Buildings:**

The *loading space* requirements shall not apply to any *building* in existence at the date of passing of this By-law so long as the gross *floor area*, as it existed as such date, is not increased; if an addition is made to the *building* or *structure* which increases the gross *floor area*, or if the use is changed, then additional *loading spaces* shall be provided in accordance with the *Loading Space Table Requirements* for such addition or use.

### **3.13 Mobile Home**

No *mobile home* is permitted in any zone.

### **3.14 Multiple Uses on One Lot**

Where any land, *building* or *structure* is used for more than one permitted *use*, the applicable *zone provisions* of this By-law which service to regulate each such *use* shall be complied with.

### **3.15 Multiple Zones on One Lot**

Where a *lot* is divided into more than one *zone* under the provisions of this Bylaw, each such portion of the *lot* shall be used in accordance with the *zone provisions* of this By-law for the applicable *zone* as if it were a separate *lot*, provided however that a maximum of one *dwelling unit* is permitted on the *lot*.

### **3.16 Number of Dwellings per Lot**

Unless specified elsewhere in this By-law, no more than one *dwelling unit* shall be permitted on a *lot*.

### **3.17 Parking Area Regulations**

#### **3.19.1 More than One use on a Lot**

When a *building* or *structure* accommodates more than one type of *use*, the *parking space* requirement for the whole *building* or *structure* shall be the sum of the requirements for the separate parts of the *building*.

#### **3.19.2 Parking Area Location on Lot**

Notwithstanding the *yard* and *setback* provisions of this By-law to the contrary, uncovered surface *parking areas* shall be permitted in the required *yard* or in the area between the *street line* and the required *setback* provided that they are a minimum of 1.0 metres (3.3 feet) from any *lot line*.

#### **3.19.3 Additions to, or changes in, the Use of Existing Buildings and Structures**

The Parking Space requirements referred to herein shall not apply to any *existing building* or *structure* so long as the gross *floor area* is not increased. If any addition is made to a *building* or *structure* which increases its gross *floor area*, parking spaces for the addition shall be provided as required by the Parking Area Regulations. Where a change in *use* occurs, parking

spaces shall be provided for such new *use* in accordance with the requirements of the Parking Area Regulations.

The provision of this paragraph shall not apply to require the establishment of Parking Spaces for a *dwelling* which existed at the passing of this By-law.

### 3.19.4 Use of Parking Spaces and Areas

Parking Spaces and areas required in accordance with this By-law shall be used for the parking of operative, currently licensed vehicles only, and for vehicles used in operation incidental to the permitted *uses* on the *lot*.

PARKING REQUIREMENTS	
Type of Building	Minimum Parking Required
Dwelling; Agricultural Use;	2 parking spaces for each dwelling unit
Bed and Breakfast Establishment	1 parking space for each guest room in addition to 2 parking spaces for the dwelling unit.
Medical, Veterinary, Dental Office or Clinic	5 parking spaces for each Practitioner
Place of Assembly; Place of Worship; Community Centre; Funeral Home, Restaurant,	Where there are fixed seats, 1 parking space for every 4 seats or 3 metres (9.8 feet) of bench space. Where there are no fixed seats, 1 parking space for each 10 sq. metres (107.6 sq. feet) of floor area devoted to public use.
Tourist Establishment, Camping Establishment;	1 parking space for each guest room, cottage, cabin or camp site, plus such parking facilities as are required for a restaurant, should such exist.
Office, including a Home Occupation or Home Industry; Day Care Centre	1 parking space for each 20 sq. metres (215 sq. feet) directly related to the permitted use.
Manufacturing, Processing, Assembling or Fabricating Plant; Bulk Fuel Depot, Building Supply and Lumber Outlet; Commercial Nursery or Greenhouse;	1 parking space per 40 sq. metres (430.6 sq. feet) of gross floor area or portion thereof.
Convenience Store	1 parking space for each 10 sq. metres (107.6 sq. feet) of total floor area.
Retail use; Other Commercial Uses	1 parking space for each 20 sq. metres (215 sq. feet) of total floor area.
Uses Permitted by this By-law other than those listed in this Table	1 parking space for each 30 sq. metres (323 sq. feet) of gross floor area.
Equestrian Facility	1 parking space for each 50 square metres of total floor area devoted to training and handling facilities.
Self Storage Facility; Warehouse; Wholesaling	1 parking space for each 90 square metres of the gross floor area which accommodates the use;

### **3.18 Pits and Quarries and Peat Harvesting**

The making or establishment of Pits or Quarries and the harvesting of peat is prohibited within the area covered by this By-law, except in the locations permitted by this By-law, and in accordance with the express provisions of this By-law. No person shall *use* or occupy land or *erect* any *building* or *structure* or conduct any activity on land for the purpose of processing, washing, screening, sorting or crushing rock, sand and/or gravel and/or peat, except as expressly provided for in this By-law.

### **3.19 Planting Strip Regulations**

#### **3.19.1 Location:**

Where the *interior side* or *rear lot line*, or portion thereof, in a Commercial or Industrial Zone abuts a Residential Zone, a *planting strip* shall be provided on the *lot* within the Commercial or Industrial Zone with a minimum width of 6 metres (19.7 feet).

#### **3.19.2 Contents:**

Any required *planting strip* shall consist of a row of trees or a continuous hedgerow of evergreens or shrubs, not less than 2 metres (6.6 feet) high at planting, immediately adjacent to the *lot line* or portion thereof along which such planting strip is required hereunder. The remainder of the strip shall be used for no other purpose than the planting of shrubs, flower beds, grass or a combination thereof.

#### **3.19.3 Interruption for Driveways of Pedestrian Walks:**

In all cases where ingress and egress driveways or walks extend through a *planting strip*, it shall be permissible to interrupt the strip within 3 metres (9.8 feet) of the edge of such driveway or within 1.5 metres (4.9 feet) of the edge of such walk.

#### **3.19.4 Maintenance:**

Where a *planting strip* is required, it shall be planted, nurtured and maintained by the owner(s) of the *lot* on which the strip is located.

#### **3.19.5 Landscaped Open Space Supplement:**

A *planting strip* referred to in this subsection may form a part of any *landscaped open space* required by this By-law.

### **3.20 Public Uses**

#### **3.20.1 Public Services**

The provisions of this By-law shall not apply to prohibit the *use* of any *lot* or the *erection* or *use* of any *building* or *structure* for the purposes of public *uses* provided by the *Township*, or any *public authority* including any Department or Ministry of the Government of Canada or Ontario and, for the purposes of this Section, shall include Ontario Hydro, any telephone, telegraph or cable TV company and any natural gas distribution system operated by a Company distributing gas to the residents of the *Township*, which company possesses all the necessary powers, rights, licences and franchises.

#### **3.20.2 Location Restrictions**

Notwithstanding any other provision contained in this By-law to the contrary, where a public *use* is only permitted within a specific *zone* classification, then such public *use* shall only be permitted within that *zone* or *zones* and shall comply with the *zone provisions* of the *zone* or *zones* in which the public *use* is permitted, save and except that there shall be no minimum *lot area* or *lot frontage* requirement. This provision does not apply to Crown Agencies.

#### **3.20.3 Provisions**

- i) No goods, materials or equipment shall be stored outside the *building* or *structure* located on the *lot*, except as may otherwise be permitted under this By-law.
- ii) The *zone provisions* of the *zone* in which the *use* is located shall be complied with.
- iii) No *building* or *structure* *erect* in accordance with the provisions of this Section shall be used for the purpose of an office or maintenance or works depot.

#### **3.20.4 Public Installations**

Nothing in this By-law shall prevent the installation of a watermain, sanitary sewer, storm sewer, gas main, pipeline, hydro, communication line, or high voltage and extra high voltage electrical facilities owned, operated and maintained by Ontario Hydro.

### **3.21 Reduction of Requirements**

No person shall change the purpose for which any land, *building*, or *structure* is used, or *erect* any *building* or *structure*, or construct an addition to an *existing building* or *structure*, or sever any lands, if the effect of such action is to cause the original, adjoining, remaining or new *building*, *structure* or *lot* to be in contravention with this By-law.

### **3.22 Restriction on Dwelling Unit in Non-Residential Buildings**

Notwithstanding any other provision of this By-law to the contrary, no *dwelling unit* shall be located within a portion of a non-residential *building* which has gasoline or other flammable fluids stored in bulk for commercial purposes, in conjunction therewith, and without limiting the generality of the foregoing, a *dwelling unit* shall not be permitted within a *motor vehicle service station*, a *motor vehicle repair garage*, a *motor vehicles body shop*, a *marina*, or a marine sales and service shop.

### **3.23 Shoreline Buffer**

On any lot that abuts a watercourse, a *Shoreline Buffer* shall be restored and maintained across a minimum of 75% of the *lot*, and shall maintain a minimum depth of 7.5 metres (24.6 feet) measured from the *high water mark*. The lands located within a *Shoreline Buffer* shall be maintained in a natural state except for the removal of dead and decaying vegetation and a 2 metre (6.6 ft.) wide pedestrian pathway from the *building* or *structure*, to the *high water mark*.

### **3.24 Signs**

The provisions of this By-law shall not apply to prevent the *erection, alteration* or *use* of any sign, provided such sign complies with the By-laws of the *Township* including the specific sign provisions for *home occupation* or *home industry*, as provided in this By-law.

### **3.25 Special Provision for Through Lots**

Where a lot is a through lot, the front yard requirements shall apply on each street or adjacent private right-of-way or watercourse, as the case may be, in accordance with the provisions of the Zone(s) in which such lot is located.

### **3.26 Special Setback Requirements**

#### **3.26.1 Setback from Watercourses**

No *building* or *structure*, except a *dock, boathouse, boatport* or *pumphouse*, shall be located within 15 metres (49.2 feet) of the *high water mark* or any river, stream or other watercourse; the minimum required *setback* for all cold water *watercourses* shall be 30 metres (98.4 feet).

#### **3.26.2 Setback from Waste Disposal Areas**

No *dwelling* shall be located within 500 metres (1,640.4 feet) of a waste disposal fill area or 100 metres (328 feet) from a sewage lagoon.

### **3.26.3 Setback for Pits and Quarries**

No *Pit* or *Quarry* shall be located closer than 120 metres (393.7 feet) to an existing *dwelling* or 30 metres (98.4 feet) from a municipal road allowance, *lot line* or *watercourse*.

### **3.26.4 Minimum Separation for Farms**

Despite any yard provisions of this By-law to the contrary, no building or structure shall be erected or expanded unless it complies with the Provincial Minimum Distance Separation I and II formulae.

### **3.26.5 Setback from Pipeline**

No permanent *structure* shall be constructed within 10 metres (32.8 feet) of a pipeline right-of-way.

## **3.27 Temporary Construction Use:**

A temporary *building*, *structure* or *trailer* incidental to the construction of a principal *building* on a *lot* is permitted in all *zones*, but only during construction and until the building permit which authorizes it expires or is revoked.

A tool shed not exceeding 9.3 square metres (100 square feet), construction *trailer*, scaffolding or other *building* or *structure* incidental to construction is permitted in all *zones* within the Township, except the Environmental Protection (EP) and Open Space (OS) *zones*, on the *lot* where it is situated and only for so long as it is necessary for the work in progress and until the work is completed or abandoned. For the purpose of this Section, abandoned shall mean the discontinuation of work for more than 120 consecutive days or the failure to maintain a current building permit.

## **3.28 Temporary Housing**

Notwithstanding any other provision of this By-law to the contrary, where a *dwelling* is destroyed or a new *dwelling* is being constructed and a Building Permit for reconstruction of the *dwelling* has been issued by the *Township* for the *lot*, the residents may occupy the *existing dwelling* or a *travel trailer* on a temporary basis, but only during the period which the new *dwelling* is being constructed to a maximum of one year from the date of issuance of the building permit.

## **3.29 Trailer or Mobile Home Parks**

The establishment of a *trailer park* or *mobile home park* is prohibited in any *Zone*, save and except where such parks are specifically permitted by this By-law.

### 3.30 Trailers and Campers

The use of tents, trailers and recreational vehicles for permanent or temporary human habitation is prohibited in all zones except:

- (a) in a Rural (RU) Zone, Waterfront Residential (WR) Zone and Limited Services Residential (LR) Zone, a *travel trailer* equipped with toilet facilities and a Ministry of the Environment approved sewage holding tank may be used for temporary human habitation during the construction of a *dwelling unit* on a *lot*, provided that such *structure* is located on the same lot as the *dwelling unit* under construction and is in compliance with the *setback* provisions for the *zone* in which it is located and provided that:
  - i) no such *structure* shall be located on the premises until a building permit for said construction has been issued and construction commenced;
  - ii) such *structure* shall cease to be used for human habitation upon completion of the *dwelling unit*;
  - iii) where not elsewhere permitted in this By-law, such *structure* shall be removed from the premises upon completion of the *dwelling unit*, or in all cases, within 60 days of the discontinuance of construction.
- (b) For the occasional accommodation of guests in any Rural, Residential or Waterfront Residential Zone provided that a detached *dwelling* exists on the property.
- (c) For the use of tents for children's play, picnics, weddings, family reunions, or other similar private functions.
- (d) In a Rural (RU) Zone, Waterfront Residential (WR) Zone and Limited Services Residential (LR) Zone, a *travel trailer* equipped with toilet facilities and a Ministry of the Environment approved sewage holding tank or leaching bed may be used for temporary human habitation on an existing vacant *lot* for a period not to exceed three years from the date of passage of this By-law, provided such *travel trailer* has a current license issued in accordance with the Township's Trailer Licensing By-law, or upon issuance of a building permit for a permitted residential use on the *lot*. Such *structure* shall cease to be used for human habitation upon expiry of the three year period, unless specifically recognized through the approval of a Temporary Use Zoning By-law passed pursuant to the provisions of the Section 39 of the Planning Act.

### **3.31 Truck, Bus, Coach Bodies and Derelict Vehicles:**

No truck, bus, coach or streetcar body, or *structure* of any kind, other than a *dwelling unit* erected and used in accordance with this By-law, The Building Code and Regulations passed thereunder and all other By-laws of the Township, shall be used for human habitation or storage of goods and materials whether or not the same is mounted on wheels.

The provisions of this By-law shall not apply to prohibit the *outside storage* of a maximum of two derelict motor vehicles within the Rural (RU) Zone nor the *outside storage* of contractors equipment, whether currently licensed or inoperative, provided the applicable provisions regarding *outside storage* are complied with, and further that such use is accessory to the principal permitted use on the *lot*, and that such storage area is screened from view from adjacent lots and roads.

### **3.32 Unimproved Road Allowances**

The *exterior side yard* requirements outlined in this By-law shall be reduced by 50 percent where the *yard* abuts an unimproved road allowance.

### **3.33 Wayside Pits and Quarries (wrong mixes portable asphalt plant with wayside)**

Where specifically permitted in the By-law, a portable asphalt plant shall be subject to the following provisions: the *wayside pit* or *quarry* shall be used by or on behalf of a Public Authority; the *wayside pit* or *quarry* shall have a Certificate of Approval from the Ministry of Environment and Energy or its designate; the *wayside pit* or *quarry* shall not be located closer than 300 metres (984.3 feet) from an existing residence; and, upon completion of the public project, the site shall be rehabilitated to its former *use*.

### **3.34 Zoning of Islands**

All islands are *zoned* Limited Service Residential (LR). Development on islands and the creation of new island *lots* will be permitted only on islands with an area of 0.8 hectares (2 acres) in size or greater.

## Section 4 - Zone Provisions and Exceptions to Zones

### 4.1 Zone Provisions

No person shall, within any of the *Zones*, use any land or *erect* or *use* any *building* or *structure*, exception in accordance with the uses permitted in Table 1 – Permitted Uses and the provisions of Table 2 – *Lot* Regulations of this By-law.

### 4.2 Provisions for Limited Services Residential (LR) Zone

- 4.2.1 Properties in this *zone* are suitable for occasional or seasonal uses only.
- 4.2.2 The Township does not guarantee or provide any level of access to any property within this *zone* by *public road* or to a public *dock* or landing allowing water access to a property. Public Seasonal Roads will not be maintained or plowed in the winter and may also be impassable in the Spring season and following storms and other events causing damage. They will be the last to receive attention from road maintenance crews. Securing access to property within this *zone* is the sole responsibility of the landowner.
- 4.2.3 The Township does not guarantee fire protection and other emergency services.
- 4.2.4 The Township does not commit itself now or at any time in the future to:
- (a) provide any *public road* access to any property or to open, maintain or improve any public landing or *dock*;
  - (b) upgrade any existing *public road* from Public Seasonal Road to Public Year Round Road;
  - (c) to open, maintain or upgrade any *public road* or road allowance not designated as either Public Seasonal Road or Public Year Round Road in the schedules to this by-law;
  - (d) to do or permit work by anyone on any road allowance (such work is expressly prohibited without consent of Council expressed in a resolution or by-law) to improve any road allowance and render it passable by any motor vehicle including snow machines and off-road vehicles; or
  - (e) to provide or facilitate access to a property by emergency vehicles or school buses.
- 4.2.5 A Landowner seeking a building permit in the LR *zone* or for a *hunt camp* may be required to enter into an agreement to be registered on title to his property acknowledging and incorporating the provisions contained in 4.2.1 through 4.2.4 inclusive.

### **4.3 Environmental Protection Zone Special requirements**

Lands zoned Environmental Protection (EP) may be included in the calculation of *lot area* and *yard* requirements for a *lot*, except for lands below the *high water mark*.

*Setback* requirements shall be measured from the limit of the *high water mark*, provided that no *building* or *structure* is constructed within 3 metres (9.8 feet) of the boundary of the Environmental Protection (EP) *zone*.

### **4.4 Floodplain provisions:**

Lands which have been identified as lands which are susceptible to flooding or erosion by water or which have been zoned Magnetawan River Floodplain (FP) are subject to the following provisions.

#### **4.4.1 Permitted Uses**

- (a) Any existing dwelling or other existing building, structure or use located on a lot.
- (b) A *dock, boathouse, boat port, boat launch, detached garage, detached deck, pumphouse*;
- (c) A structure for flood or erosion control.
- (c) Recreational and resource management use.
- (d) Conservation or forestry use
- (f) Agricultural use, not including a dwelling.

#### **4.4.2 Buildings in the floodplain:**

- (a) any building or structure located in the Flood Plain FP Zone at the date of passing of this By-law is hereby deemed to legally conform with the provisions of this By-law. Any replacement, restoration or reconstruction of such buildings or structures, however, shall be subject to all applicable provisions of this By-law and shall not result in an increase in the ground floor area.
- (b) On those lots which are only partially zoned Flood Plain FP, buildings or structures which are replaced or reconstructed shall be relocated to that portion of the lot situated outside of the Flood Plain FP Zone provided that all other provisions of this By-law are adhered to.
- (c) The provisions of the Limited Service Residential Zone apply to any development in the Floodplain.

#### **4.4.3 Flood Elevations for *Dwelling Building* Openings and Access to *Dwellings***

In addition to any other provision of this By-law, any replacement, restoration, reconstruction or new construction of a *dwelling* permitted by this By-law shall not have a *building* opening lower than the Regulatory Flood Elevation, as specified in the Table below.

Any part of any *Private Road* giving access to a *dwelling* shall be at the Regulatory Flood Elevation specified in the table below.

Accordingly, no building permit shall be issued for such works until plans complying with the Regulatory Flood Elevation specified in the Table below have been approved by the Township. Flood proofing in excess of 1.0 metre (3.3 feet) shall require plans prepared and approved by a qualified professional engineer.

All *buildings* and *structures* with the exception of a *boathouse*, *boat port*, or *dock* which are constructed on lands adjacent to a *watercourse*, shall have the following minimum opening elevation:

<b>Waterway</b>	<b>Regulatory Flood Elevation (Canadian Geodetic Datum) in metres</b>
Ahmic Lake	281.47
Cecebe Lake	284.17
Doe Lake	296.91
Magnetawan River <sup>(1)</sup>	
• Segment 1	284.70
• Segment 2	284.65
• Segment 3	284.53
• Segment 4	284.52
• Segment 5	284.43
• Segment 6	284.39
• Segment 7	284.35
• Segment 8	284.32
• Segment 9	284.31
• Segment 10	284.29
• Segment 11	284.28
• Segment 12	284.26
• Segment 13	284.17
• Segment 14	284.08
• Segment 15	284.09
• Segment 16	284.00
• Segment 17	283.96
• Segment 18	283.84
• Segment 19	283.71
• Segment 20	283.70
• Segment 21	283.63
NOTE: <sup>(1)</sup> Segments are shown on Schedule A	

#### **4.5 Exceptions to Zones**

Notwithstanding any provisions to the contrary in this By-law, the following provisions apply to the properties identified in the specific exception noted below:

In all other respects, the provisions of this By-law continue to apply.

Exception Zone	Schedule	Text
WR-1	B-1 B-2 C-2	On lands zoned WR-1, the minimum setback from the high water mark is 30.5 metres (100 feet).  All other provisions of the WR zone continue to apply.
LR-2 WR-2 RU-2	C-2	On lands zoned LR-2, WR-2 or RU-2, the minimum setback from the edge of Beggsborgo Creek is 20 metres (65.6 feet)  All other provisions of the LR, WR or RU zones continue to apply.
WR-3	A-1	On lands zoned WR-3, the minimum setback from the high water mark is 45.7 metres (150 feet).  All other provisions of the WR zone continue to apply.
RU-4 EP-4 FP-4	B-2	On lands zoned RU-4, EP-4 or FP-4, a maximum of 8 trailer sites are permitted on the property.  All other provisions of the RU, EP or FP zones continue to apply.
CT-5	A-1 A-2	On lands zoned CT-5, a maximum of 38 trailer sites are permitted on the property.  All other provisions of the CT zone continue to apply.

## Section 5 - ENACTMENT

### 5.1 *Date of By-law Approval*

This By-law shall take effect from the date of its passage by Council and shall come into force in accordance with Section 34 of the Planning Act, R.S.O. 1990, Ch. P. 13, as amended.

Read a first and second time this \_\_\_\_\_ day of \_\_\_\_\_, 2010.
