NOTICE OF DECISION
Southeast Parry Sound District Planning Board
On Application for Consent
Section 53 of the Planning Act

In compliance with Section 53 of the Planning Act, Revised Statutes of Ontario, 1990, Chapter P. 13, attached is the notice of decision of the District Planning Board with regard to the above noted file(s).

Please be advised that the last day for filing an appeal is **March 29, 2022**.

Section 53 of the Planning Act states that any person or public body may, not later than 20 days after the giving of notice is completed, appeal the decision or any condition imposed by the Planning Board or appeal both the decision and any condition to the Ontario Land Tribunal (OLT) (formerly Local Planning Appeal Tribunal (LPAT)) by filing a notice of appeal setting out the reasons for the appeal, accompanied by the fee required by the Tribunal. The notice of appeal is to be filed with the Secretary-Treasurer of the Planning Board, accompanied by a fee in the form of a cheque or money order payable to the Minister of Finance. The fee is \$400.00 for the first application to be appealed and \$25.00 for each additional related consent appeal. The appeal will be forwarded to the Ontario Land Tribunal and the applicant or agent will receive any further notice about the appeal directly from the Tribunal.

In accordance with Section 53(24) of the Planning Act, you will be entitled to receive notice of any changes to the conditions of the provisional consent if you have made a written request to be notified of changes to the conditions of the provisional consent.

Only individuals, corporations and public bodies may appeal decisions in respect of applications for consent to the Ontario Land Tribunal (OLT) (formerly Local Planning Appeal Tribunal (LPAT)). A notice of appeal may not be filed by an unincorporated association or group. However, a notice of appeal may be filed in the name of an individual who is a member of the association or group on its behalf.

The decision of the Planning Board will become final and binding when the final date for appeal has passed and no appeal has been filed, unless the consent was granted with conditions. On a consent granted, before the final certificate can be issued, proof in writing must be submitted to the Secretary-Treasurer showing that all conditions imposed by the Planning Board have been dealt with in a manner satisfactory to the appropriate authority. In accordance with Section 53(41) of the Planning Act, if the conditions imposed by the Planning Board have not been fulfilled within two years of the date of mailing of the notice of decision, the consent lapses.

EFFECT THAT WRITTEN AND ORAL SUBMISSIONS HAD ON DECISION

The Municipality supports approval of the application. No further submissions were received which had an effect on the decision.

REASONS FOR APPROVAL

Consent Application - B-056/21 (CAMPBELL & WALTER)

1. The application conforms to the approved Official Plan for the municipality.
2. The application complies with the approved Zoning By-law in effect for the municipality.
3. The application conforms to the Provincial Policy Statement.
4. No concerns or objections have been raised through the circulation of the application.

The conditions to the granting of consent for this transaction, file no. B-056/21, **which must be fulfilled within two years from the date of this letter**, are set out below. These conditions must be fulfilled prior to the granting of consent.

Conditions

1. That this approval applies to the transfer of one lot approximately 4.5 ha. (11.12 ac.) in size, as applied for in the above-noted location and municipality and as indicated on the attached sketch.
2. That the applicant(s) shall have the following documents delivered to the Secretary-Treasurer of the Southeast Parry Sound District Planning Board for the transaction described in Condition 1:
 - a) the "in preparation Transfer";
 - b) a "Long form certificate" on which is set out the legal description of the severed parcel;
 - c) a reference plan of survey, which bears the Land Registry Office registration number and signature as evidence of its deposit therein, illustrating the parcel(s) to which the consent approval relates, together with an electronic (pdf) version of the plan; or

a legal description acceptable to the Registrar of Deeds. It may be necessary for the applicant's Solicitor to submit a description approval form to the Registry Office exempting the transfer from a survey.
3. That the draft reference plan of survey be submitted to the Secretary-Treasurer of the District Planning Board for review prior to registration.
4. That the draft reference plan of survey be submitted to the Township of Ryerson for review prior to registration. If the reference plan or other evidence discloses that either severed property or the retained property owned by the Applicant contains a deviation road maintained by the municipality as a public road, then the Applicant shall survey and transfer such deviation road to the municipality as a condition of severance. The area to be surveyed and transferred shall generally be sixty-six (66') feet in width and centred upon the centre line of the present travelled road. In situations where this is impractical, the Applicant should discuss how this requirement will be fulfilled with the Municipality before the reference plan is finalized.

Prior to the finalization of consent, the District Planning Board must be advised in writing by the Township of Ryerson that the above condition has been satisfied.
5. Prior to the finalization of consent, the District Planning Board must be advised in writing by the municipality that the owner has conveyed up to 5% of the land to be severed to the Township of Ryerson for park or other recreational purposes. Alternatively, the municipality may require cash-in-lieu of all or a portion of the conveyance.
6. That two copies of the final reference plan, together with one digital copy, be provided to the Township of Ryerson.

Conditions cont'd.

7. Prior to the finalization of consent, the District Planning Board must be advised in writing by the Ministry of Transportation that the applicant has applied for new MTO access permits to be issued for the existing access to Highway 520 for both the severed and retained lots currently without MTO permits.
8. That the applicant(s) shall remit the finalization fee of \$200.00 per transfer document in the form of a certified cheque or money order, to the Southeast Parry Sound District Planning Board prior to finalization of consent.

The following **NOTES** are for your information:

NOTES:

1. Prior to the development of the property, a Sewage System Permit as required under Regulation 332/12 of the Ontario Building Code must be obtained from the North Bay-Mattawa Conservation Authority. Applications may be obtained from the Conservation Authority's North Bay office.

North Bay-Mattawa Conservation Authority
15 Janey Ave.
North Bay, ON P1C 1N1 Tel: 705-474-5420
2. Bell Canada has advised that they have existing installations over the subject lands which are protected by the existing easement registered as Instrument RO119521. Their existing easement rights must be maintained, and they will not require any additional easement protection.
3. The Ministry of Transportation has advised that the subject lands are within MTO's permit control area as defined by the Public Transportation and Highway Improvement Act R.S.O. 1990. Therefore, Ministry approvals and permits are required prior to the construction and/or demolition of any buildings and/or structures and prior to the issuance of any municipal building permits or approvals as per Section 8. (2) (a) of the Building Code Act.
- The Ministry does not have a concern with the proposed severance pertaining to 1717 Highway 520 and 1755 Highway 520, but will only allow the parcels to be used for residential use. No additional access to Highway 520 will be permitted, and should the existing accesses for both the severed and retained not currently have permits issued by the MTO, the applicant will need to apply for them in a timely manner.
- Any questions the applicant may have regarding entrance/building permits can be directed to Emmie.Peel@ontario.ca, the Corridor Management Officer for this location. More information on MTO permits can be found on our website at <https://www.hcms.mto.gov.on.ca/>.
4. It is the applicant's and/or agent's responsibility to fulfil the conditions of consent approval within **two years** of the date of this letter pursuant to Section 53(41) of the Planning Act.

If the conditions to consent approval are not fulfilled within TWO YEARS of the date of this letter and the applicant is still interested in pursuing the proposal, a new application will be required.
