**Section 53 of the Planning Act**

---

In compliance with Section 53 of the Planning Act, Revised Statutes of Ontario, 1990, Chapter P. 13, attached is the notice of decision of the District Planning Board with regard to the above noted file(s).

Please be advised that the last day for filing an appeal is **July 29, 2025**.

Section 53 of the Planning Act states that the applicant, the Minister, a specified person or any public body may, not later than 20 days after the giving of notice is completed, appeal the decision or any condition imposed by the Planning Board or appeal both the decision and any condition to the Ontario Land Tribunal (OLT) by filing a notice of appeal setting out the reasons for the appeal, accompanied by the fee required by the Tribunal. The notice of appeal is to be filed with the Secretary-Treasurer of the Planning Board, accompanied by the fee charged by the Tribunal.

In accordance with Section 53(24) of the Planning Act, you will be entitled to receive notice of any changes to the conditions of the provisional consent if you have made a written request to be notified of changes to the conditions of the provisional consent.

The decision of the Planning Board will become final and binding when the final date for appeal has passed and no appeal has been filed, unless the consent was granted with conditions. On a consent granted, before the final certificate can be issued, proof in writing must be submitted to the Secretary-Treasurer showing that all conditions imposed by the Planning Board have been dealt with in a manner satisfactory to the appropriate authority. In accordance with Section 53(41) of the Planning Act, if the conditions imposed by the Planning Board have not been fulfilled within two years of the date of mailing of the notice of decision, the consent lapses.

**EFFECT THAT WRITTEN AND ORAL SUBMISSIONS HAD ON DECISION**

The Municipality supports approval of the application. No further submissions were received which had an effect on the decision.

#### Conditions

1. That this approval applies to the transfer of one lot approximately 1 ha. (2.47 ac.) in size, as applied for in the above-noted location and municipality and as indicated on the attached sketch.
2. That the applicant(s) shall have the following documents delivered to the Secretary-Treasurer of the Southeast Parry Sound District Planning Board for the transaction described in Condition 1:
  - a) the "in preparation Transfer";
  - b) a "Long form certificate" (Form 2) on which is set out the legal description of the severed parcel;
  - c) a reference plan of survey, which bears the Land Registry Office registration number and signature as evidence of its deposit therein, illustrating the parcel(s) to which the consent approval relates, together with an electronic (pdf) version of the plan; or  
a legal description acceptable to the Registrar of Deeds. It may be necessary for the applicant's Solicitor to submit a description approval form to the Registry Office exempting the transfer from a survey.
3. That the draft reference plan of survey be submitted to the Secretary-Treasurer of the District Planning Board for review prior to registration.
4. That the draft reference plan of survey be submitted to the Township of Ryerson for review prior to registration. If the reference plan or other evidence discloses that either severed property or the retained property owned by the Applicant contains a deviation road maintained by the municipality as a public road, then the Applicant shall survey and transfer such deviation road to the municipality as a condition of severance. The area be surveyed and transferred shall generally be sixty-six (66') feet in width and centred upon the centre line of the present travelled road. **Conditions cont'd.**

7. That two copies of the final reference plan, together with a digital pdf copy, be provided to the Township of Ryerson.
8. Prior to the finalization of consent, the District Planning Board must be advised in writing by the Township of Ryerson that if required, the severed parcel has been rezoned to recognize a deficient road frontage, to the satisfaction of the municipality.
9. Prior to the finalization of consent, the District Planning Board must be advised in writing by the Township of Ryerson that the Public Works Supervisor has confirmed that a safe location for an entrance can be found.
10. That prior to the finalization of consent the District Planning Board is satisfied that the North Bay-Mattawa Conservation Authority has no concerns or objections with regard to sewage disposal systems.
11. Prior to the finalization of consent, the District Planning Board must be advised in writing by the municipality that the owner has conveyed up to 5% of the land to be severed to the Township of Ryerson for park or other recreational purposes. Alternatively, the municipality may require cash-in-lieu of all or a portion of the conveyance. If consent is granted to the retained parcel, the cash-in-lieu requirement may also apply to the retained parcel.
