BY-LAW # 33-25

BEING A BY-LAW TO PROVIDE FOR FEES CHARGED BY THE CORPORATION OF THE TOWNSHIP OF RYERSON

WHEREAS the Corporation of the Township of Ryerson charges various fees for licenses, permits, and services offered by the Corporation;

AND WHEREAS Section 8 of the *Municipal Act*, S.O. 2001 provides that the powers of a municipality under the Act or any other Act shall be interpreted broadly so as to confer broad authority on the municipality to enable the municipality to govern its affairs as it considers appropriate and to enhance the municipality's ability to respond to municipal issues;

AND WHEREAS Section 9 of the *Municipal Act* provides that a municipality has the capacity, rights, power and privileges of a natural person for the purpose of exercising its authority under the Act or any other Act;

AND WHEREAS Section 391 of the *Municipal Act*, 2001, c 25, as amended, gives authority for a municipality to impose fees or charges on persons,

- a) For services or activities provided or done by or on behalf of it;
- b) For costs payable by it for services or activities provided or done by or on behalf of any other municipality or local board; and
- c) For the use of its property, including property under its control

AND WHEREAS Section 398 of the *Municipal Act* provides the municipality with authority to add unpaid fees and charges, including any interest on the unpaid balance, to the tax roll for any real property within the Municipality owned by the person responsible for paying the fees and charges, and the amount may be collected in the same manner as municipal taxes;

AND WHEREAS pursuant to Section 69 (1) of the *Planning Act*, R.S.O. 1990, C.P. 13, a Council of a Municipality may, by by-law, prescribe a tariff of fees for the processing of applications made in respect of planning matters;

AND WHEREAS the Corporation deems it advisable to create a comprehensive by-law to provide for the charging of fees;

NOW THEREFORE the Council of the Corporation of the Township of Ryerson enacts as follows:

1. That the fees set out in Schedules A through G, annexed to and forming part of this By-Law, shall be charged for licences, permits, services and documents listed therein.
2. That no request by any person for any information, service, activity, or use of Municipal property will be provided unless and until the person requesting the information, service, activity, or use of Municipal property has paid the applicable fee in the prescribed amount as set out in the attached Schedules.
3. That when necessary, the Township of Ryerson reserves the right to require a deposit amount for the purposes of retaining professional services (solicitor, engineer, planner, etc.) in all planning matters.

4. That a fee shall be charged to the proponent of any application of a planning nature, before an approval or review of the application is undertaken by Council.
 - a) The fee for the processing of applications made with respect to planning matters shall be set out in Schedule 'G' annexed to and forming part of this by-law. The fees set out in Schedule 'G' do not include additional costs, which may also be collected as fees, pursuant to sub-paragraphs (b) and (c) below.
 - b) In planning matters, the Municipality may in its discretion require the services of professional consultants such as planners, lawyers, surveyors, engineers, and other experts and professional persons. In such cases, the applicant will be required to pay the actual cost to the Municipality of such services in addition to any fixed Municipal fees. The applicant may be required to provide a deposit or other security for a reasonable estimate of such costs to the Municipality before proceeding, and if such costs exceed the original estimate, may be asked to provide additional security or deposit before the matter is completed.
 - c) In addition to the fees set out in Schedule 'G', the applicant shall be responsible for any legal or other costs incurred by the Municipality if requested by the applicant to defend a decision it has made before the Local Planning Appeal Tribunal. The provisions of subparagraph (c) immediately above apply to such costs and the Municipality may decline to defend the matter unless the applicant provides security for such costs.
 - d) The Clerk of the Municipality, upon receipt of an application and payment thereof, shall commence processing the application, in accordance with regulations and procedures established in the Planning Act, R.S.O., 1990, as amended.
5. Notwithstanding that a tariff of fees is prescribed, the Council of the Municipality may reduce the amount of, or waive the requirement for, the payment of a fee at its discretion in cases of hardship where it is determined that the action for which the fee is to be charged will be for the general benefit of the municipality and its ratepayers.
6. That if the provisions of this by-law conflict with any other by-law of the Corporation heretofore passed, then the provisions of this by-law shall prevail.
7. That this by-law shall be known as the "Fees and Charges By-law".
8. That By-law 31-23 is hereby repealed.
9. This by-law shall come into force and effect on the date of passing.

Read a First, Second, and Third time,
Signed and the Seal of the Corporation
affixed thereto and finally passed in
